2019 NISG General Election
Questions Regarding Intent to Run

1. Why are you running for this position?
I am running for a senate seat for CHAS for 2019-2020 because it is necessary for me to represent and advocate for the arts program. This is exactly what I have strived to do in the past years. Arts programs on campus have consistently been overlooked and having someone within NISG to advocate for these students is extremely important.

2. Why do you believe you are qualified for this position?
I am qualified to hold this position because I have held a CHAS senate seat for 2018-2019 and worked hard to be a student leader on campus. I am actively involved with arts programs and work to get other students involved as well.

3. What do you believe are some important issues facing the UNI student body?
Possibly one of the biggest or most important is the issue of student representation on so many boards. So many communities on campus don't get their voices heard and their perspectives considered, this needs to change.

4. What goals would you like to accomplish in your position?

I'd like to continue what I've been working on this year in NISG. Representation and student involvement for the arts programs, theater, music, visual art, and dance have been overlooked by students, faculty, and staff. We have AMAZING programs here at UNI for the Arts, but none of our students or prospective students know this because of how overlooked these programs are.

5. How will you accomplish these goals?

Working with campus relations and interested senators to increase awareness. Collecting data on student activity. Creating NISG positions to advocate for these students.
